whether civil, criminal, administrative, investigative or otherwise, including any action by or in the right of the Agency, by reason of the fact that he or she (or his or her testator or intestate), whether before or after adoption of this Section, (a) is or was a Member or officer of the Agency, or (b) in addition is serving or served, in any capacity, at the request of the Agency, as a Member or officer of any other Agency, or any partnership, joint venture, trust, employee benefit plan or other enterprise. The indemnification shall be against all judgments, fines, penalties, amounts paid in settlement (provided the Agency shall have consented to such settlement) and reasonable expenses, including attorneys' fees and costs of investigation, incurred by an Indemnified Person with respect to any such threatened or actual action or proceeding, and any appeal thereof.

Section 2. Prohibited Indemnification. The Agency shall not indemnify any person if a judgment or other final adjudication adverse to the Indemnified Person (or to the person whose actions are the basis for the action or proceeding) establishes, or the Board in good faith determines, that such person's acts were committed in bad faith or were the result of active and deliberate dishonesty and were material to the cause of action so adjudicated or that he or she personally gained in fact a financial profit or other advantage to which he or she was not legally entitled.

Section 3. Advancement of Expenses. The Agency shall, on request of any Indemnified Person who is or may be entitled to be indemnified by the Agency, pay or promptly reimburse the Indemnified Person's reasonably incurred expenses in connection with a threatened or actual action or proceeding prior to its final disposition. However, no such advancement of expenses shall be made unless the Indemnified Person makes a binding, written commitment to repay the Agency, with interest, for any amount advanced for which it is ultimately determined that he or she is not entitled to be indemnified under the law or Section 2 of this Article VI. An Indemnified Person shall cooperate in good faith with any request by the Agency that common legal counsel be used by the parties to such action or proceeding who are similarly situated unless it would be inappropriate to do so because of actual or potential conflicts between the interests of the parties.

Section 4. Indemnification of Others. Unless clearly prohibited by law or Section 2 of this Article VI, the Board may approve Agency indemnification as set forth in Section 1 of this Article VI or advancement of expenses as set forth in Section 3 of this Article VI, to a person (or the testator or intestate of a person) who is or was employed by the Agency or who is or was a volunteer for the Agency, and who is made, or threatened to be made, a party in any action or proceeding, by reason of the fact of such employment or volunteer activity, including actions undertaken in connection with service at the request of the Agency in any capacity for any other Agency, partnership, joint venture, trust, employee benefit plan or other enterprise.

Section 5. Determination of Indemnification. Indemnification mandated by a final order of a court of competent jurisdiction will be paid. After termination or disposition of any actual or threatened action or proceeding against an Indemnified Person, if indemnification has not been ordered by a court the Board shall, upon written request by the Indemnified Person, determine whether and to what extent indemnification is permitted pursuant to these By-laws. Before indemnification can occur the Board must explicitly find that such indemnification will not violate the provisions of Section 2 of this Article VI. No Member with a personal interest in the outcome, or who is a party to such actual or threatened action or proceeding concerning which indemnification is sought, shall participate in this determination. If a quorum of disinterested Members is not obtainable, the Board shall act only after receiving the opinion in writing of independent legal counsel that indemnification is proper in the circumstances under then applicable law and these By-laws.

Section 6. Binding Effect. Any person entitled to indemnification under these By-laws has a legally enforceable right to indemnification, which cannot be abridged by amendment of these By-laws with respect to any event, action or omission occurring prior to the date of such amendment.

Section 7. Insurance. The Agency is not required to purchase Members' and officers' liability insurance, but the Agency may purchase such insurance if authorized and approved by the Board. Section 8. Nonexclusive Rights. The provisions of this Article VI shall not limit or exclude any other rights to which any person may be entitled under law or contract. The Board is authorized to enter into agreements on behalf of the Agency with any Member, officer, employee or volunteer providing them rights to indemnification or advancement of expenses in connection with potential indemnification in addition to the provisions therefore in this Article VI, subject in all cases to the limitations of Section 2 of this Article VI.

Section 1. Definition of Conflicts of Interest. A conflict of interest will be deemed to exist whenever an individual is in the position to approve or influence Agency policies or actions which involve or could ultimately harm or benefit financially: (a) the individual; (b) any Member of his or her immediate family (spouse,

parents, children, brothers or sisters, and spouses of these individuals); or (c) any organization in which he or she, or an immediate family member is a member, trustee, officer, member, partner or more than 10% shareholder. Service on the board of another not-for-profit agency does not constitute a conflict of interest.

Section 2. Disclosure of Conflicts of Interest. A Member or officer shall disclose a conflict of interest: (a) prior to voting on or otherwise discharging his or her duties with respect to any matter involving the conflict which comes before the Board or any committee; (b) prior to entering into any contract or transaction involving the conflict; (c) as soon as possible after the Member or officer learns of the conflict; and (d) on the conflict of interest disclosure form. The Secretary of the Agency shall, on an ongoing basis, solicit each of its members and officers to determine if a conflict of interest may exist, including specific information concerning the terms of any contract or transaction with the Agency and whether the process for approval set forth in Section 3 was used.

Section 3. Approval of Contracts and Transactions Involving Potential Conflicts of Interest. A member or officer shall disclose to the Secretary of the Agency any potential conflict of interest and the nature of any contract or transaction that may constitute a conflict or interest.

The member or officer shall execute a recusal form and engage in no intercourse or discussion with respect to the Agency's action as to the particular transaction, contract or application. The Board shall approve only those contracts or transactions in which the terms are fair and reasonable to the Agency and the arrangements are consistent with the best interests of the Agency. Fairness includes, but is not limited to, the concepts that the Agency should pay no more than fair market value for any goods or services which the Agency receives and that the Agency should receive fair market value consideration for any goods or services that it furnishes others. The Board shall set forth the basis for its decision with respect to approval of contracts or transactions involving conflicts of interest in the minutes of the meeting at which the decision is made, including the basis for determining that the consideration to be paid is fair to the Agency.

Section 4. Validity of Actions. No contract or other transaction between the Agency and one or more of its Members or officers, or between the Agency and any other company, corporation, firm, association or other entity in which one or more of its members or officers are Members or officers of the Agency, or have a substantial financial interest, shall be either void or voidable for this reason alone or by reason alone that such Member or Members or officer or officers of the Agency are present at the meeting of the Board, or of a committee thereof, which authorizes such contract or transaction, or that his or her, or their votes

are counted for such purpose, if the material facts as to such Member's or officer's interest in such contract or transaction and as to any such common membership, officership or financial interest are disclosed in good faith or known to the Board or committee, and the Board or committee authorizes such contract or transaction by a vote sufficient for such purpose without counting the vote or votes of such interested Member or officers. Common or interested Members may be counted in determining the presence of a quorum at a meeting of the Board or committee, which authorizes such contract or transaction. At the time of the discussion and decision concerning the authorization of such contract or transaction, the interested Member or officer should not be present at the meeting.

Section 5. Employee Conflicts of Interest. An employee of the Agency with a potential conflict of interest in a particular matter shall promptly and fully disclose the potential conflict to his or her supervisor. The employee shall thereafter refrain from participating in deliberations and discussion, as well as any decisions, relating to the matter and follow the direction of the supervisor as to how the Agency decisions, which are the subject of the conflict, will be determined. The Chair shall be responsible for determining the proper way for the Agency to handle Agency decisions, which involve unresolved employee conflicts of interest. In making such determinations, the Chair may consult with legal counsel.

The Chair shall report to the Board at least annually concerning employee conflicts of interest, which have been disclosed, and contracts and transactions involving employee conflicts, which the Chair has approved.

ARTICLE IX - COMPENSATION

Section 1. Reasonable Compensation. It is the policy of the Agency to pay no more than reasonable compensation for personal services rendered to the Agency by officers and employees. The Members of the Agency's Board shall not receive compensation for fulfilling their duties as Members, although Members may be reimbursed for actual out-of-pocket expenses, which they incur in order to fulfill their duties as Members. Expenses of spouses will not be reimbursed by the Agency unless the expenses are necessary to achieve an Agency purpose.

Section 2. Approval of Compensation. The Board must approve in advance the amount of all compensation for officers of the Agency's Board.

Before approving the compensation of an officer, the Board shall determine that the total compensation to be provided by the Agency to the officer is reasonable in amount in light of the position, responsibility and qualification of the officer for the position held, including the result of an

evaluation of the officer's prior performance for the Agency, if applicable. In making the determination, the Board shall consider total compensation to include the salary and the value of all benefits provided by the Agency to the individual in payment for services. At the time of the discussion and decision concerning an officer's compensation, the officer should not be present in the meeting. The Board shall obtain and consider appropriate data concerning comparable compensation paid to similar officers in like circumstances.

The Board shall set forth the basis for its decisions with respect to compensation in the minutes of the meeting at which the decisions are made, including the conclusions of the evaluation and the basis for determining that the individual's compensation was reasonable in light of the evaluation and the comparability data.
