Re: October 10th Testimony in Opposition to the West Jamaica Holdings, LLC (The Wellington)

Dear Members of the Town of Hempstead Industrial Development Agency,

As the New York State Assembly Member representing the Valley Stream community, I express my disapproval of the proposal to approve financial assistance for West Jamaica Holdings, LLC (known as The Wellington). I strongly urge the board to decline the resolution granting financial aid to West Jamaica Holdings, LLC (The Wellington).

Property owners, both residential and commercial, within the Valley Stream area, are currently burdened by the inability to bear the financial consequences of tax breaks for this housing complex. Given taxpayers' economic challenges, we must prioritize businesses that can contribute to our tax revenue rather than granting exemptions to certain entities. Furthermore, the proposed PILOT agreement fails to offer our community any guaranteed benefits, such as mandatory local hiring or the allocation of housing opportunities for local demographics like millennials, veterans, or individuals with developmental disabilities. I implore the TOH IDA board to exercise discretion when considering developer tax incentives, as our local tax base is already oversaturated with PILOT agreements.

I propose that the board explore strategies to attract local businesses and technology startups to the vacant storefronts along Central Avenue, Merrick Avenue, and Rockaway Avenue in Valley Stream. We must invest in our local infrastructure to stimulate economic growth and prosperity.

Once again, I urge the board to reject the resolution extending financial assistance to West Jamaica Holdings, LLC (The Wellington).

Sincerely,

Honorable Michaelle C. Solages New York State Assemblymember Twenty-second Assembly District

Vichaelle Solges
